2013 DISTRICT 8 SUMMER RENDEZVOUS - FT. LAUDERDALE - 12-14 JULY

D/C Diana Jackson, SN Sebastian

COMMANDER'S MESSAGE FROM THE HELM

Cdr Judith A. Peschio, P
"E" Mail: japeschio@gmail.com

Dear VBPS Members, Associates, and Friends:

It seems impossible that we are beginning the last quarter of the year--time really does fly quickly, particularly when we have so many squadron activities to enjoy.

Since the last issue of Nautical News, our squadron has faced sadness and joy. The passing of Gus Barberi is such a loss for us, he will be greatly missed. Gus always had a smile on his face, and made many friends in the squadron. Our thoughts and prayers are with Linda and his family.

On a happier note, congratulations to members Bob Lawless and Teresa Livingston on their recent wedding. What a wonderful thing when squadron activities bring people together!

Thank you to all of you who represented Vero Beach at the District Rendezvous in Ft. Lauderdale, despite the changes made because of weather. I heard that everyone had a great time.

Also, a big thank you to Jan Mooney for successfully organizing another group of volunteers who helped with the recent Treasure Coast Waterway Cleanup. If you were there, thank you!

Upcoming events include the USPS Governing Board Meeting in San Antonio TX beginning September 7, and the District 8 Fall Conference in Boca on September 27 - 29. Our squadron will participate in hosting a hospitality room on Friday night. This is a fun way to enjoy time with each other and to meet members from other squadrons. I encourage you to attend.

I want to thank our Executive Officer, Warren Miller for standing in for me in my absence, and doing such a great job. By the time you read this issue of Nautical News, we will begin to see many of our seasonal friends back enjoying squadron events. We can all swap stories about our summer adventures.

Best Regards from your Commander, Judy Peschio, P

A THANK YOU NOTE

Linda Barberi and family acknowledges with deep appreciation the kind expressions of sympathy and thoughtfulness shown by the Vero Beach Power Squadron in memory of her beloved husband, August (Gus). We will forever cherish his life and eternally wave to the heavens as he begins his journey among the stars. He will carry with him the fond memories of the fun, parties and good friends at the VBPS. **THANK YOU!**

Editor's Note:

All articles and reports for the Nov - Dec 2013 Nautical News should be turned in by 15 October. THANK YOU!!

EDUCATION OFFICER

Lt/Cdr (P/C) Alan R. Ebstein, SN
"E" Mail: aebstein@bellsouth.net

Hello VBPS Members, Associates and Friends,

This is the time of year that the Education Dept. takes a rest, right?? Wrong.

During the Summer we continue our ABC classes and we set the course schedules for the fall classes.

This Summer, we did something unusual, we held a Piloting and Advanced Piloting Class as several members indicated they wanted to take JN and AP in the Fall and needed to get the prerequisite courses behind them.

To top things off, Chris and Alyse Caldwell will be conducting a Live in the water Life Raft demo. Our members will be the swimmers and the Caldwell's will be the instructors. This will be FUN but more importantly, it will be real.

Check out the course sign up sheets on the bulletin board and sign up for a class or two next time you are in the Squadron Bldg. All advanced grade and elective courses are being offered.

See you in class and hopefully on the water as well. I think we have been active.

LIVE INFLATABLE LIFE RAFT DEMONSTRATION

When: 7 September, Saturday Morning at 10am

Where: At Chris and Alyse's boat "Sandy Hook"
Docked at Harbour Isle Marina
805 Seaway Dr. (A1A)
Fort Pierce, FL 34949

Note: This is the Marina across from Chucks restaurant
at the traffic circle on South Hutchinson Island.

We encourage swimmers to participate in using the life raft in the water. We need swimmers to jump in and get wet, enter the life raft or if it is upside down then you will need to help right the life raft. We will teach you how.

Everyone is welcome and encouraged to come and learn. Bring your cameras and video cameras, we want to get all the real footage possible.

Yes, this will be "FUN" but more importantly, it will be real.

Depending on the turn out for this event, we will either reserve the Pavillion at Harbor Town Marina for a picnic lunch or we might just eat lunch at Harbor Cove restaurant. More on that after we know how many people will attend.

THIS IS A MUST RSVP EVENT

Please contact Chris and Alyse at chris@CaptainChrisYachtServices.com
to become a swimmer or a watcher.

"Do not die with your music still in you!"

Everywhere you look there is a story and the best stories are the ones involving you. Our stories capture how we lived our lives, what we have seen and the experiences which made us who and what we are, good or bad. The thing is, stories kept in side the bottle do more harm than good and no one benefits. I know a few Vietnam veterans who have been tormented by pent up stories for over 35 years. There is a disease called PTSD caused by the catastrophic suppression of feelings after experiencing horrific events. While this may enable victims to cope with the immediate aftermath of events, they can come back in a variety of physical, emotional and interpersonal ways. Telling your story is great therapy. The truth will set you free and others will benefit, believe it or not.... then there are the wonderful stories. "My Grandmother was the most wonderful, honest and dedicated person I have ever known." She never ceased telling me stories of hard work, loyalty, trust, and love. I cherished those stories and have tried to pass them along. Her stories are my stories and I make a point to pass them along. Then there are the special or embarrassing moments (learning experiences and Kodak moments). Loosen up, make time to listen and make time to tell!

"Do not die with your music still in you!"
