Commander - Dick Myers, S

December Birthdays

I Welcome back squadron northern friends and members!

We had an interesting summer, locks were changed, doors replaced and a TV installed in the bar. We also refurbished a Pacemaker boat, and acquired a 23 ft. Bayliner. Talks are ongoing about installing a dock in front of our clubhouse, (notice I Said clubhouse), and getting internet at the building is in the works. Getting back to the clubhouse wording, I attended the fall D/8 conference; America's Boating Club is in full swing. Most of the literature coming out of national is only using the new logo, and some of the D/8 squadrons are only using the new logo on their name tags.

We even had a western theme at the Saturday dinner dance. This is all being done to attract more boaters and younger members. You and I know all about the Power Squadron, but the younger generations have no idea what the Power Squadron is all about. If you were to ask the typical younger generation what the Power Squadron is all about, you probably would hear an answer such as; didn't they help out restoring power lines in the Carolinas? As for me, I think it is a change for the better, but I will wait until I see the new logo on the boat inspection stickers.

Thank you, Dick Myers, Commander

Executive Officer - Larry Ebstein

First thing I'd like to do is pass along Best Wishes for the upcoming holiday season and pray that everyone stays safe and well, whether staying home or traveling to see loved ones.

Those of you who are staying home I truly hope you will partake in the holiday activities that are planned for our Squadron and our community.

Speaking of activities, we have always participated in the Vero Beach Boat Show and this Fall show is no different make sure to come down and see the boats and help with our booth, why will meet a lot of great people and probably some new members in the process, Don't worry if you can't make the Fall Show there's another in the Spring.

As I mentioned Nov. is Boat show Month and also coming up is Boys & Girls club fishing which is always a fun event for the kids, and adults.

Additionally events for the women, their luncheon is coming up and of course Our Formal Christmas Party at Grand Harbor in early December with an informal party later.

There are lots of activities coming up just check the events Sched and our next boating education season is fast approaching so make sure you get the information to get signed up for the course that will best suit your needs, or just sign up to take a course just for fun.

Thank you, Larry Ebstein, Executive Officer VBPS.

Youth Sailing Foundation

Youth Sailing Foundation Sails to Victory in 2nd Annual Veterans Day Regatta

Youth Sailing Foundation marked the 100th Anniversary of the WWI Armistice, along with the Vero Beach Centennial, by hosting the 2nd Annual Veterans Day Regatta at its facility on the grounds of the city's water treatment plant. With beautiful weather and favorable conditions, competitors came from as far away as Daytona Beach and Palm Beach, creating the largest gathering of racing sailboats in the history of Vero Beach. Eight YSF sailors ended the exciting day on the podium, representing three different racing fleets.

As many as six races were run in each of four classes, with 16 C420's and 13 Open Bic's sailing a long course south of the 17th Street Bridge, while 27 Opti's sailed a triangle course just north of the bridge. About 100 spectators enjoyed a close-up vantage point of the Opti's maneuvering just off

shore, and a panoramic view of the 420's and Bic's rounding the marks on the east side of the Intracoastal Waterway.

The home team made a great showing, with YSF Skipper Brendan Williams and crew Sean Onorato placing first in the 420 class, and Skipper Nita Holloway and crew Cate Lovelady taking second. In the Opti Silver Class, brothers Merrit and Thomas Kennedy earned first and second place, respectively, while Nick Crull took third, making it a clean sweep for YSF. Shae Riley of YSF's Shelby Racing Team chalked up a strong third place finish in the highly skilled Opti Gold fleet.

Staging a regatta with 56 sailboats and 72 sailors requires a great deal of planning and coordination. A team of over 25 YSF volunteers worked on advance preparations and helped with race day activities. Out on the water, a legion of experienced boaters manned the platoon of race committee and chase boats, ensuring the safety of each course. The on-water scoring team ably transmitted race finishes to their onshore partners, who had computerized final results certified and posted within a few minutes of the final race. The launch, racing, and recovery all came off like clockwork with all the young sailors demonstrating incredible skill and seamanship. Kiwanis Club of Vero-Treasure Coast was on hand to cook and serve almost 300 hamburgers and hotdogs to hungry competitors and parents, and the great day of competitive sailing wrapped up with the awards ceremony on the banks of the beautiful Indian River Lagoon.

ABC Classes - Doug Jacoby

Florida Boating Education Certificate Training

**Vero Beach Power Squadron
301 Acacia Rd Vero Beach FL 32963**

**JANUARY 12, 2019
9:00AM to 5:00PM**

America's Boating Course (ABC)

Qualifies for Florida Boating Education Identification Card

Florida requires a Boater Education Card for boaters, and not a boating license. The card is mandatory for all boat operators born on or after January 1, 1988. To obtain the Boater Education Card, you must complete a boater education course approved by the [Florida Fish and Wildlife Conservation Commission](#), or pass an approved equivalency test. In an approved course, students learn how to operate and maintain their boats, the legal requirements for boating, and what to do in emergencies. This ensures that boating remains a safe and fun experience.

FREE OF CHARGE

Class is offered as a Public Service by the Vero Beach Power Squadron. Register at the BOAT SHOW or online at www.verobeachpowersquadron.com

Members Remembered

Unfortunately two of our VBPS members have passed away this month.

Marge Longmire died on October 9th. Pete's address is 4585 Bridgepointe Way #166, Vero Beach, FL 32967.

Fred Finney died on October 13th in Virginia. The address for his wife, Liz, is 1420 Abbey Cir, Vinton, VA 24179. Our condolences go out to their families.

Chaplains Corner

The Love of Money

Commonly misquoted, 'money is the root of all evil;' should read: 'the love of money is the root of all evil.'

If you make money your goal, you are certain to be disappointed. If you do not get a large amount of money in life you will be disappointed because you will think you would have found happiness had you done so. If you do acquire a large amount of money, you will be disappointed because there is apparently more to be had, also; the money you do have doesn't satisfy. Either way you lose!

Money and all it can buy is tied to time. A dying queen once cried. "Millions in money for an inch of time." She would gladly have given her wealth for another day. But money cannot buy time when that day arrives.
